

1. Unscrew the G04 casing. There are four screws located on the back of the case

2. Pull the black rubber band off of the bottom of the case

3. Remove the top of the casing and gently pull apart

4. Insert the SIM card into the SIM card holder

5. Place the two halves of the case together

6. Screw the two halves of the case back together

7. Place the rubber band back onto the bottom of the case

Please ensure your SIM card is activated in order for it to record data.
