**CHECKMATE**

"CHECKMATE" is the "simple to use" Windows based Reporting Software Suite, that provides the "Real Time" information you need to manage your business and customers better!

## Geotab GO

Delivering quality  
Fleet Management Data to  
maximise your decision making

**"PRECISE REPORTING = INFORMED DECISIONS"**

### Driver & Vehicle Tracking

Generate reports by either vehicles or drivers. Giving your business the ability to monitor a vehicle, driver or both.

### Trips List Report

Shows exact times of departure, arrivals distance travelled, stationary time, speeds travelled and more.

### Customer Visit Reports

See how, when and who visited your clients. Show the total amount of time spent at each of your customer's premises.

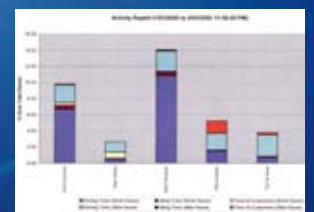

### Vehicle Service Module

Manages your fleet's vehicles for service dates, registrations, tyre rotations etc, giving you complete control of your vehicle maintenance

### Exception Reports

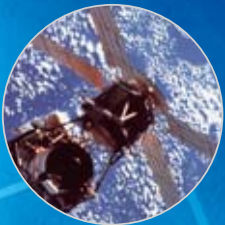

Create your own specific reports that are relevant to your business. Instantly see when excessive speeding, idling, harsh braking etc occurs within your fleet of vehicles, ensuring a safer working environment.

Sales Support”*

provided by our  
State Offices and  
National Dealer  
Network.

## **“ITS NOT WHAT IT COSTS, ITS WHAT IT SAVES YOU”**

An investment in the Geotab GO solution can be as low as \$2.00 per day per vehicle. This can easily be returned and more, when reducing unnecessary kilometers travelled, correcting “under charging” to customers and much, much more...

### **Here is what some of our customers have had to say about the Geotab GO Fleet Management System.**

#### **Orkin Pest Control**

*“When employees speed or drive erratic, they know their action is being monitored and that any major speeding or driver indiscretion will result in being reprimanded.*

*When we first rolled GPS out, we used to see about 3,800 instances of speeding now you’ll maybe see 200 incidents per month.”*

#### **SA Independent Glass**

*“It certainly has put accountability into our dispatch & drivers, as well as also keeping traffic infringements to a minimum.”*

Guy Engelhardt Operations Manager

#### **Wilmac Plumbing**

*“More accurate time cards, Reduced Overtime Claims & Less weekend activity on vehicles.”*

Trevor Wilson - Managing Director

#### **Mobile Scaffolds**

*“Geotab has stopped staff taking unauthorised breaks and visits. It has improved production & shows the quickest route to a job”*

Michael Young - Managing Director
